Relax | Rejuvenate | Restore

Gin Lounge

Home to over 150 rare and uniquely selected gins

Welcome to Airport View Hotel

Established in 2000 our family run hotel has become a popular destination in North County Dublin for visitors from near and afar. Ideally located 20 minutes from the city centre and 10 minutes from Dublin, Airport View Hotel is perfect for the business traveller, tourist or a special getaway package.

Winters Restaurant serves the finest cuisine for everyone's tastes, from locally sourced fresh fish, handmade pizzas and the distinct flavour of our 35 day dry aged beef. Our restaurant is an ideal venue for small intimate celebrations.

Airport View Hotel is the perfect place to Relax, Rejuvenate and Rewind.

The Small Hotel with the Big Heart

‘Over 300 select whiskies a unique and unforgettable tasting experience’

Our Whiskey Room boasts a collection of over 300 bottles of the finest whiskeys from around the world. We offer a unique private whiskey tasting package where you can choose from any bottle of whiskey on our shelf. You can also enjoy your whiskey while sitting in our Log cabin with your favourite cigar. Great

Experience and a Great gift. Our Gin Lounge is another added attraction to our Hotel with a fabulous collection of over 150 bottles. Why not try one of our Gin Cocktails while sitting back and relaxing before or after dining in our Winters Restaurant.

Germaine de Capuccini Luxurious Facial Treatments

The spa at the airport view provides an array of treatments designed to nurture the mind, body and spirit that incorporate your well being. We believe that you will experience the most unique memorable spa therapies and medi spa treatments with results to match. We can tailor any treatment to your needs.

€60

15 min express treatment (one area)

€35

Courses are recommended.

Discount on courses available.

Dual Injector

One of the most advanced non-surgical treatments options available. Offering instant results.

Dual Injector is a lifting/tightening and transdermal delivery system that introduces special formulations noninvasively through the skin and into the tissue, without breaking the skin as with traditional injections. This is achieved through the unique dual technology (RF+Electroporation) which lifts the skin and pushes nutrients deep into the skin.

1 treatment 1hour
6 to 8 treatments recommended
Discount on courses available.
