220 YEARS OF HOSPITALITY IN THE HEART OF THE HIDDEN HEARTLANDS

The Bush Hotel was established in 1793 as an Inn and resting post for tired travelers and their weary horses on the old Bianconi Stage Coach route between Dublin and the Northwest

Today that strong tradition of inn keeping, hospitality and comfort continues; we are now a boutique heritage hotel, steeped in history with all modern facilities but retaining old world tradition, charm and character of bygone days with many memorabilia from the past
